

America Is NOT A "Democracy"  
"A Republican Form Of Government"

Article 4, Section 4, U.S. Constitution;  
"The United States shall guarantee to every State in this Union  
a Republican Form of Government, ---."

This includes the form of government required in the operation of  
all internal subdivisions of government in all of the States. This  
is noted by J. Madison in Federalist Paper 39, p. 245, Mentor Pub.  
Edition, where it is stated; "Local or Municipal Authorities form  
DISTINCT and INDEPENDENT PORTIONS of the SUPREMACY within the limits  
of their jurisdiction which can not be infringed by legislative acts  
of any other unit of government at any level."

See index of Federalist Papers for the analysis of the structure of  
"Republican Government" along with warnings as to why all other prior  
attempts to form Republics had failed. By going through this you will  
see that we have done and are still doing the same things today which  
led to the destruction of Republican forms of Government in the past.  
Learn NOT from HISTORY and HUMAN NATURE ALONE WILL CAUSE "IT" TO RE-  
PEAT ITSELF: "The Merry-Go-Round Of Time." Also go through the index  
references on "States" and "find" the nature of the Compound Republic  
of America.
