

APPRENTICE AMERICANS

THE BILLION DOLLAR MOTIVE FOR DEATH:

p. 245

Do you see anything unusual about this note as compared to the one you have in your pocket? The difference is big, and marks the difference between debt currency and freely distributed money without a charge. Let me explain: Look at the top of this \$5.00 bill, and notice it says UNITED STATES NOTE. Now look at any note you have and see what it says at the top: FEDERAL RESERVE NOTE. The note you see above was printed in 1963 on orders from President Kennedy and was circulated without a charge, whereas the notes we (Pres. Johnson cancelled this order the day after the assassination) now use we pay for. Further, did you know the Federal Reserve is a private, for-profit corporation, that they charge us for circulating the currency? J.F.K. started to print the above notes and was distributing them at no charge. This made the FED bankers very, very unhappy, because it meant the end of their hand in the cookie jar. And there's more: The FED has not been audited even once by

(OVER)

the General Accounting Office which is the Congressional Auditing
"Why no audit"? See the Wright Patman letter.
Agency! Surprise, they have only had internal audits. How sweet!

Congresswoman Barbara Boxer, this year, after three years of
encouragement, has co-sponsored a House Resolution to Audit the
Federal Reserve System. It hasn't happened yet, but the Congress
is considering it! *JUST ANOTHER POLITICAL HOT AIR "SMOKE SCREEN"!*

Take another look at the "Five Dollar United States Note" for there
are 2 reasons why this "BILL" CAN NOT BE "MONEY"! The "first" can be
seen; It is "The Legal Tender Notice" on the "BILL" which FORCES YOU
TO ACCEPT THIS "PAPER" IN THE PAYMENT OF "MONEY DEBTS" and the "second"
is UNSEEN for in order to be "MONEY", that this BILL WILL BE REDEEMED
IN A FIXED AMOUNT OF SILVER/GOLD MUST BE STATED ON THE BILL, A PROMISE
TO PAY THIS "REAL VALUE" TO THE HOLDER ON DEMAND BY "THE PARTY" WHO
ISSUED THIS "PAPER CURRENCY"! This is WHY the BILL in the PICTURE CAN
NOT BE MONEY FOR "IT" HAS NO VALUE AND IS ALL YOU WILL BE GIVEN FOR
YOUR LABOR, PROPERTY, YOUR TIME OF LIFE!

This is HOW political interests can "MAKE LEGAL TENDER LAWS" and STEAL
YOUR TIME OF LIFE WITH NOTHING MORE THAN "A PIECE OF PAPER" BUT THE
FINANCIAL INTERESTS, BANKERS(?), WHO DESIGN AND OPERATE THE "SYSTEM"
WITH "THE POLITICIANS", GET THEIR "CUT" OF THE "PROFITS" FROM "LAWS"
WHICH GIVE "THE BANK" THE POWER TO "CREATE THEIR CREDIT & PAPER
CURRENCY" OUT OF NOTHING WHICH IS THEN "LOANED" TO THE FEDERAL GOVERN-
MENT BY ONLY A BOOKKEEPING ENTRY INTO IT'S CHECKING ACCOUNT AND "THIS"
ALONE "CREATES" THE "NO VALUE LEGAL TENDER(?) FORCED INTEREST BEARING
DEBT ECONOMIC SYSTEM" WHERE THE "RULERS" CLAIM THE TIME OF LIFE OF THE

"R U L E D"
