\$ieg Heil,

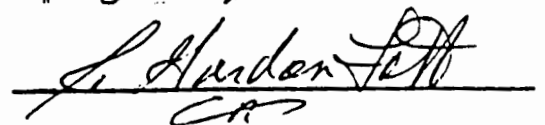

The enclosures outlines of "what" has been "changed" in our(?) economic system gives reason to "use" the "nazi symbols". For in a "system" of "permanent debt" that is "totally controlled" by a Private Central Banking System, individuals can choose to be "a slave" or "a peon" with "their lives" under the management of a myriad of "social agencies"! "The American Dream, Today"!

As I have pointed out several times that, since 1964 when the "silver" was removed from our(?) "money", THERE HAS BEEN NO MONEY OF ANY VALUE IN CIRCULATION! From that point in time "the things" circulated as "money" is "borrowed" from the Central Bank and represents an interest bearing debt which is paid by TAXES collected from the PUBLIC! Today all "Credit, Currency, & Coins" are the "property" of "The Bank" which "We, the People" MUST NOW RENT FROM "THE BANK"! WE, THE PEOPLE CAN NEVER OWN ANY MONEY!

* Now, by reason of the above fact, from this point in time, I have not received any wages or income that COULD HAVE ANY VALUE or BE SEEN "AS PROFITS" OF ANY KIND for EVERYTHING "IS DEBT". This gives rise to the question; "HOW CAN I "OWE" ANYONE ANY "INCOME TAX" WHEN ALL THAT I HAVE RECEIVED IS "DEBT"? "A Classic Oxymoron"!

The least to mention is the 6 year confiscation of my Welfare Grants, Homestead Property Tax Grant & Home Heating Grant. You might have forgotten that I am a 71 year plus senior, handicapped 80%/emphysema & soft diabetic, with S.S. income \$715.00 with a \$450.00 rent, utilities \$125.00. (the above welfare grants were taken for a claimed "income tax" due from 1971/1979)

"OUR (?) MONEY"

12/12/92

OUR TIME OF LIFE

The U.S. Government mint produces all of the "Currency & Coin", our money, then, how does "this money" become the "property" of the Federal Reserve Banking System, and, how is "it" put into circulation?

After the "money" is manufactured by "the mint" it is "bought" by the "commercial banks" of the Federal Reserve System who use the Government Securities, that were "given" to "The Bank" as "collateral" for "the loan", as "payment" for this "New Money". This "New Money" is now the property of the Banking System and is delivered to the "Banks" and stored in the vaults. (see the attached Wright Patman letter) "The Super Shell Game"

This "visible money", currency & coin, is only put into circulation when the "customer" wants to have some "cash on hand" by "account withdrawal" or "partial deposit" of checks, money orders, or other "things negotiable". 90% of all economic transactions are by "checks & credit" alone, average of 10% by "cash".

This is how all of the "Credit, Currency, & Coin" becomes the property of The Federal Reserve Banking System. As you can see, all of this "C.C.C." is "created" out of nothing, no investment, but when it is "loaned" to be used by Government & Public, this "borrowing" of this "money thing" that represents nothing of any "value", then "creates" an interest bearing debt which CLAIMS THE TIME OF LIFE OF THE CITIZENS OF THIS NATION, "AMERICA"! FOR THIS IS WHAT "LABOR" INVESTS TO OBTAIN THIS "MONEY" AND THIS IS WHAT IT REPRESENTS WHEN PAID TO "LABOR" AS "WAGES" FOR THEIR TIME OF LIFE REQUIRED IN THE PERFORMANCE OF WORK ASSIGNMENTS.

* To those who "labor", "Money IS YOUR TIME OF LIFE"! AND WITHOUT A "SECURED & FIXED VALUE" to the "MONEY" YOU WILL LIVE & DIE IN "DEBT" AND LEAVE "THIS" AS THE HERITAGE OF THOSE YET TO BE BORN!

U.S.A., The Land Of The Free?

It can and WILL get WORSE! The "Computerized Electronic Transfer" of the CURRENCYLESS SOCIETY is now possible and IF WE ALLOW THIS TO BE PUT INTO OPERATION, THEN, THE ECONOMIC DESTINY OF THE WORLD POPULATION CAN BE PUT UNDER THE ABSOLUTE CONTROL OF A "DICTATOR GROUP", FEW IN NUMBER, OR EVEN DOWN TO 1 PERSON!

"History Is Truth" - Germany, 1923/1925, severe economic problems used by the NAZIS to take over with "The New Order" of Adolph Hitler! Now "WE" NEED CHANGE, "WE" NEED ANOTHER "NEW ORDER". WILL "WE" ALSO GET A "NEW ADOLPH"? "CAVEAT EMPTOR" MUST "WE" BECOME "PEOPLE WITHOUT POWER" & "RULED BY POWER"?
